These are basic events (subject to change) we would like the Queen to make her appearance at and help where needed. We want you to enjoy the fair and appear at a variety of events, in addition to those listed above, as your schedule allows. The Princess can participate in all the above activities and assist the Fair Queen handing out Ribbons.

As an official representative of the Hancock County Fair we ask that the Queen and Princess dress appropriately and conduct themselves in a positive and professional manner.

We encourage the Queen and Princess to Thank all attendees and participants of all events. By being elected Queen and Princess you are an extension of our Fair Board. We want to Thank You for helping us out and being a positive role model.

Thank You

2019 Hancock County District Fair Board
